The fine print...

All entries must be original recipes and must be received by March 15. From all entries, 25 will be selected for tasting by Samantha's Cafe owners. Selected entrants will be notified by March 16. These 25 entrants must provide a sample of their soup to Samantha's Cafe by closing of business on March 20. If a sample is not received, for any reason, the soup will be disqualified and an alternate soup will be selected. After tasting is complete on March 21, 8 finalists will be notified and selected to have their soups featured at Samantha's Cafe during the month of April. Entrant must provide soup ingredients, enough to produce 2 gallons of soup. Details on delivery of ingredients will be set with individual finalists. These ingredients must be "grocery to cafe" to ensure freshness. Samantha's Cafe will prepare the featured soups. Two soups will be featured on the cafe menu each week during April. 50% of each soup sale (not including sales tax) will be donated to the entrants designated charity. All charities must be recognized as such by the IRS and registered with the NYS Charities Bureau.

"It is impossible to think of any good meal, no matter how plain or elegant, without soup or bread in it." **M.F.K. Fisher**

"Soup is a lot like a family. Each ingredient enhances the others; each batch has its own characteristics; and it needs time to simmer to reach full flavor." **Marge Kennedy**
